What is the provision made in the budget for staging & decoration and kindred purposes?

22/3/11

The amounts provided for the following purposes during the current year are:-

Decoration — Rs 200.
Furniture & Staging — 1500.
Cattle Show — 800.

The usual provision for furniture & staging is Rs 500 or Rs 600 & an enhanced provision was specially sanctioned for the current year to carry out certain permanent arrangements for storing the Exhibits. The bamboos are required chiefly in connection with the arrangements for the cattle show & also

(53) 22/3/11 The Forest dept seems to be right in objecting to take the bamboos back which though undamaged cannot fetch their original price. Liberal provision of funds is made for the Exhibition and a further subvention in the shape of bamboos given free of cost does not seem to be necessary nor is it necessary to provide any extra funds as the cost may be easily met from other provisions.

The bamboos etc will be wanted for use at the next exhibition. If they won't keep till then, the Exhibition authorities may sell them.

2. I beg to state that since 1907 ~~xxxx~~ the practice is that the value of the damaged materials was being paid by the Exhibition authorities and that the undamaged ones were being accepted by the Forest Department. Letter No. 2944 dated 23rd September 1910 from the -- Conservator of Forests in Mysore to the Secretary Dasara Industrial and Agricultural Exhibition, Mysore.

Copy (enclosed) forwarded to the Secretary to the --- Secretary to the Mysore Dasara Industrial and Agricultural Exhibition, Mysore for information in continuation of this office letter No. 2663 dated 16th September 1910.

2. Under the circumstances explained, the undersigned --- regrets that he cannot let him have the bamboos upon the conditions proposed.

His endorsement No. 2682 dated 16th September 1910 on copy of letter No. 391 dated the 12th idem from the Secretary, Mysore Dasara Exhibition to the Conservator of Forests.

- - - - - -

In reply has the honor to state that no agreement exists by which the ~~Forest~~ Department is bound to supply the bamboos -- free of cost to the Exhibition and to take them back after the - work of the Exhibition is over, but this concession was shown - last year on the personal request of the Superintendent. The - experience has however shown that the materials returned were refused by the customers on the ground of their being second hand and the value thereof was materially reduced. The undersigned - therefore is averse to the issue of bamboos &c to the Exhibition on condition of retaking the same if they are returned uncut.

If the arrangement proposed by the Exhibition Secretaryxx is accepted, it leads to confusion in accounts as the quantity - given to the Exhibition cannot be shown as sold but it will have to be kept in " Suspense " account till the Exhibition is over x and the material returned. This procedure is irregular and unauthorised.

For these reasons the undersigned said that the used - materials could not be taken back.
